WHO ARE D-DAY REVISITED?

D-Day Revisited is a registered charity, which was established in 2008 for the primary purpose of funding a 65th anniversary visit by British Armed Forces Veterans to the Normandy Landings sites and surrounding region. Since then we have operated similar pilgrimages annually; helping veterans to make that increasingly challenging journey and pay tribute to their fallen comrades.

The charity has been appointed by Her Majesty's Treasury to establish and operate a system through which Normandy veterans can receive funding to help with the travel and accommodation costs of a commemorative visit to France for the 75th anniversary of the D-Day Landings in June 2019. As an organisation we feel strongly that soldiers should not have to pay to return to the scenes of battle and D-Day Revisited pilgrimages have always been free to veterans. We are therefore very pleased to be able to offer this service and enable those traveling independently or in other groups to receive this deserved funding.

CAN I APPLY TO TRAVEL WITH D-DAY REVISITED?

D-Day Revisited will be running a trip to Normandy 1st-9th June 2019 and will begin allocating places in January. Traveling amongst fellow veterans with varying wartime stories makes for a very rich and entertaining experience. With well-being and respect at the heart of what we do, we have gathered a strong support team of military and civilian volunteers who are always on hand to help with the tiniest challenge. We also ensure 24 hr medical assistance is available to all those making this journey in our care. If you would like more information about our pilgrimages please contact us directly by telephoning 01244 531 765 or visit our website.

WHO CAN APPLY FOR LIBOR FUNDING AND HOW MUCH IS AVAILABLE?

Both veteran groups and individual veterans residing in the United Kingdom are invited to apply for LIBOR funding.

Veteran applicants are asked to declare if they are travelling with a companion or carer. Applications are generally limited to a veteran plus one; however in particular circumstances we understand a third person may be needed for special assistance and this will be considered with sensitivity on a case by case basis. Veterans who wish to apply for funding for two carers or companions should enclose a separate letter explaining why this additional care is required.

This year successful applicants will receive **£1000 per person** travelling.

We will let you know directly whether your application has been successful within 10 working days of receipt. A cheque will then be sent to successful applicants by post.
