## **WHO IS D-DAY REVISITED?**

D-Day Revisited is a registered charity, which was established in 2008 for the primary purpose of funding a 65th anniversary visit by British Armed Forces Veterans to the Normandy Landings sites and surrounding region. Since then we have operated similar pilgrimages annually; helping veterans to make that increasingly challenging journey and pay tribute to their fallen comrades.

In addition to its primary attention towards the D-Day Landings and the Normandy Campaign, D-Day Revisited has been appointed by Her Majesty's Treasury to establish and operate a system through which WWII veterans can receive funding to help with the travel and accommodation costs of a commemorative visit to the Arnhem region for the 78th anniversary in September 2022.

## **WHO CAN APPLY AND HOW MUCH MONEY WILL BE OFFERED?**

Both veteran groups and individual veterans residing in the United Kingdom are invited to apply for LIBOR funding.

Veteran applicants are asked to declare if they are travelling with a companion or carer. Applications are generally limited to a veteran plus one; however in particular circumstances we understand a third person may be needed for special assistance and this will be considered with sensitivity on a case by case basis. Veterans who wish to apply for funding for two carers or companions should enclose a separate letter explaining why this additional care is required.

This year successful applicants will receive **£800 per person** travelling.

We will let you know directly whether your application has been successful within 10 working days of receipt. A cheque will then be sent to successful applicants by post.
